ecostrad

# Revo iQ

## WiFi Controlled Ceramic Electric Radiator

The Ecostrad Revo iQ is a ceramic electric radiator with a distinctive curved design and contemporary glossy white finish. Its heat-retentive ceramic core provides lasting warmth, while **NRG**Flex™ Variable Power Technology automatically adjusts heat output to help reduce unnecessary energy use. Built-in WiFi and flexible daily and weekly programming make heating easy to manage, while a full-colour TFT screen offers intuitive control. Complete with easy wall-mounted installation, the Revo iQ offers a stylish, practical heating solution for modern homes.
