

Kudox LST Electric Towel Rail 500mm x 1200mm 70 Watts

For any building, used by children, the elderly or any other vulnerable people, low surface temperature towel rails should be installed.

This includes schools, nurseries, healthcare premises, homes for the elderly and most publicly accessible buildings.

Kudox low surface temperature electric towel rails are easy to install and use a readily available electrical element which can be replaced.

Pack Contents:

- 1 x Pre-filled Towel Rail
- 4 x Wall Fixing Brackets
- 4 x Wall Fixing Screws
- 4 x Wall Plugs (for solid walls)
- 1 x Installation Instructions
